

Surf Life Saving Association of Wales - Appendix 13a
Photography and Recorded Images Consent Form

In accordance with our child protection policy, we will not permit photographs, video or other images of young people to be taken without consent. If the child is under 16, consent must be obtained from a parent / carer.

(If the child is over 16, it's good practice to inform parents that photographs and/or videos of their child may be used if the child has given consent.)

[Club name to be inserted] will take all steps to ensure these images are used solely for the purposes for which they are intended. If you become aware that these images are being used inappropriately, please inform us immediately.
